# Check version of Windows 10

- Go to Start > Settings > System > About...

The screenshot shows the Windows 10 System>About page. The Windows logo and 'Windows 10' are at the top. Below that is the device name 'Optiplex 990'. The 'PC name' is 'HPLCataloging' with a 'Rename PC' button. The 'Organization' is 'WORKGROUP' with a link to 'Connect to work or school'. A red box highlights the 'Edition', 'Version', and 'OS Build' information, with a red arrow pointing to it.

Edition	Windows 10 Pro
Version	1607
OS Build	14393.51

# Upgrade to Anniversary Edition

---

- Go to Start > Settings > Update & Security > Windows Update
- Or go to...  
[go.microsoft.com/fwlink/p/?LinkId=821403](https://go.microsoft.com/fwlink/p/?LinkId=821403)

## Windows 10 update history

---

### About the Windows 10 Anniversary Update

Windows just keeps getting better and better.

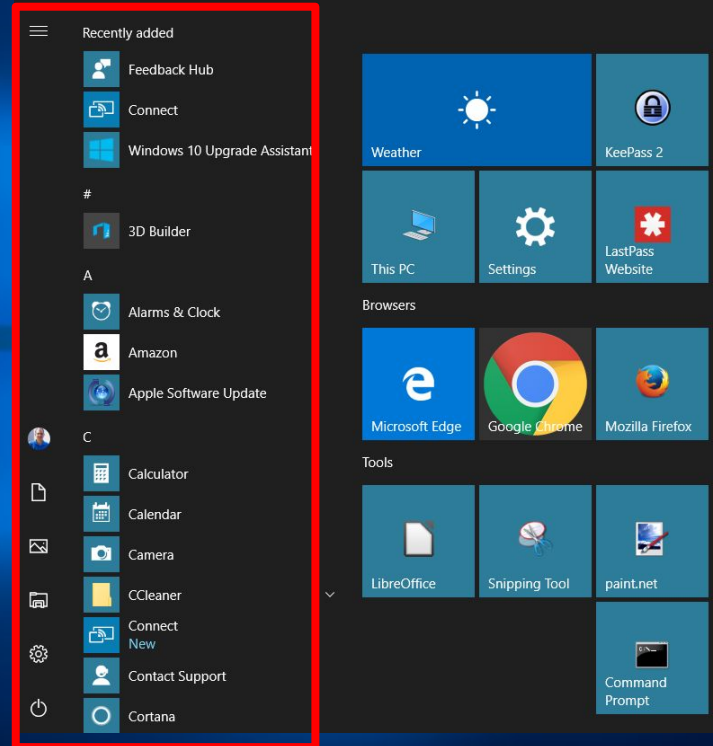

The Windows 10 Anniversary Update is the second big update since the launch new features that customers told us they want. The Windows 10 Anniversary Update will be available for your device (your device will be running Windows 10 Home or Windows 10 Pro) and install when it becomes available for your device (your device will be running Windows 10 Home or Windows 10 Pro). Want it now? Click the button below to get it.

[Get the Anniversary Update now](#)

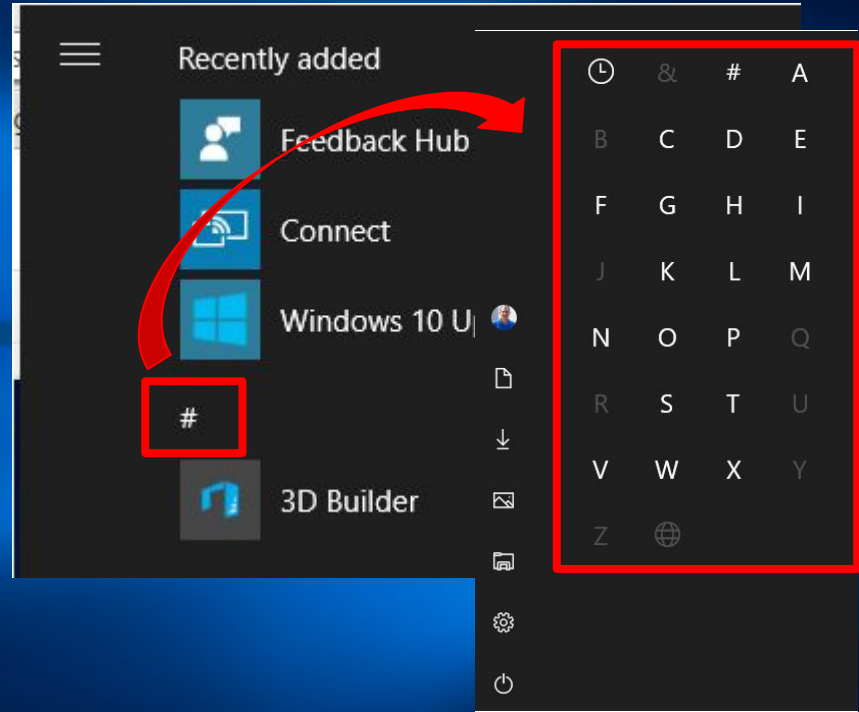

# Start menu revamp

- All Apps option removed
- Menu redesigned so icons for **File Explorer, Settings and Power** are clearly visible on the very left of the menu.
- The next column is apps, with the most recently added ones at top, the most used ones afterwards then an alphabetical listing below that.

## New toggle button

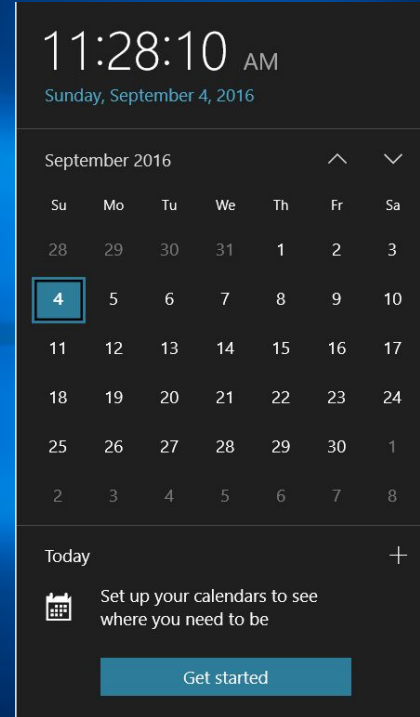

- Click/tap on “#” symbol to display alpha-listing of apps...

# Taskbar enhancements...

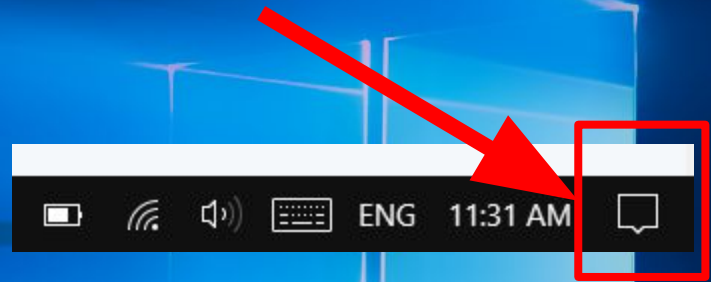

- The clock now integrates with the Calendar app...

# Taskbar enhancements...

---

- The Action/Notification Center icon now sits to the far right of the Taskbar...

# Taskbar enhancements...

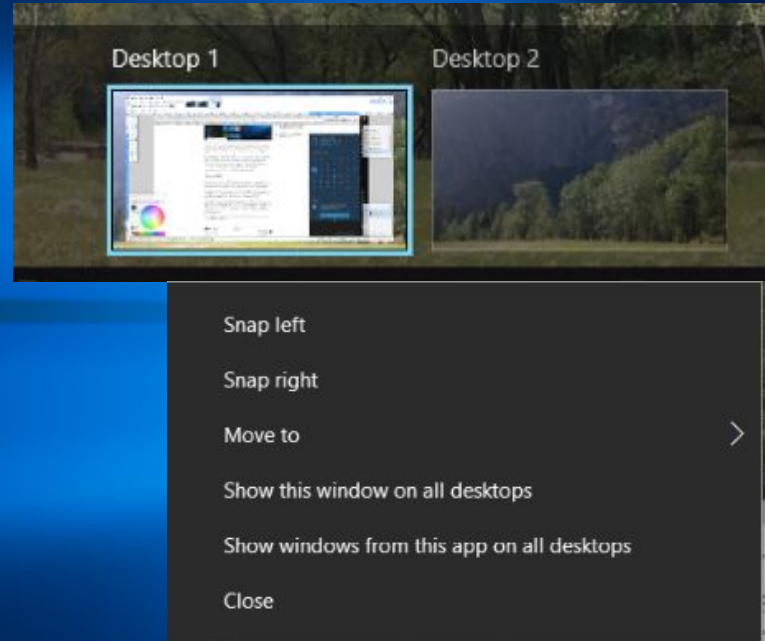

---

- Taskbar icons now show badges for things like notifications and unread emails...

# Task View gets new feature...

- Pin windows so they appear on every virtual desktop instead of just one...

# Windows Update enhancements...

---

- **Windows Update enables you to set active hours...**

## Active hours

Active hours lets us know when you usually use this device. When a restart is necessary to finish installing an update, we won't automatically restart your device during active hours.

Note: We'll check to see if you're using this device before attempting to restart.

Start time

8	00	AM

[Connect to suggested open hotspots](#)

Off

# Sticky Notes...

- **Sticky Notes now integrated with Cortana, set reminders that flow across your devices.**

# Consumer-Friendly Site for Win10 Tutorials

- Windows 10 - GCFLearnFree

A screenshot of the GCF LearnFree.org website. The page features the GCF LearnFree.org logo at the top left, with the tagline "Creating Opportunities" to its right. Below the logo is a navigation menu with buttons for "Home", "All Topics", "Windows", and "Windows 10". The main heading is "Windows 10" followed by three icons: a Windows logo, a list icon, and a play button icon. Below the heading is a paragraph of text: "Windows 10 is the latest version of Microsoft's operating system. Check out the lessons below to learn more about Windows 10!". Underneath the text is the update date: "Updated: August 07, 2015". At the bottom of the page, there are social media sharing buttons for Facebook (309), Twitter (12), Google+ (3), and Pinterest (10).
