

Hooksett Library Kit Lending Program

- Hooksett Library cardholders shall be eligible to borrow Hooksett Library Kits. For youth library cards, a parent must list each youth account approved to borrow kits listing each child allowed to borrow which type of kit.
- Parts and current costs for replacement are documented on each kit.
- The loaned kit is returned inside the library *directly to a staff member*. If the kit is returned in a drop box, a \$5 fee will be charged. The set may not be left on the circulation desk if a staff member is not present.
- The set will be checked in by a staff member, completeness of the set will be verified either by a Hooksett Library staff member or a volunteer of the Hooksett Library after the kit has been returned (within 1 – 7 days).
- The set will be inspected for completeness of pieces, verified clean, cleaned, and disassembled if needed prior to it being returned to circulation.
- In the event any piece(s) are missing, borrower will be contacted and given one week to locate missing item. If item is still missing, a staff member or a volunteer of the Hooksett Library will identify the missing parts and look at availability. If missing piece(s) can be obtained, they will be automatically obtained if less than 30% of the MSRP/Replacement cost noted on the Lego Set Loan Agreement. Missing piece(s) fees will be applied to the last borrower, including the replacement part cost and a \$5 processing fee.
- In the event that a set is not returned, is damaged, or has more than 30% of the set missing the cost of replacement for the entire kit will be charged to the last borrower.

Science Kits @ Your Library

A Program Sponsored by the

31 Mount St. Mary's Way
