

Hooksett Library Youth Library Cards

Mission: The Hooksett Library is a community resource center providing quality, high-demand materials, programs, information and technology.

New Hampshire has one of the strongest library patron confidentiality laws in the country and that law applies to all, regardless of age. The law states that upon registering for borrowing privileges at the library the patron has the right of privacy about what he/she checks out. The law does not specify age. This means the library staff may not reveal the title of an overdue book or book on reserve to anyone except the person or persons on the account, even though the parent(s)/guardian(s) may be legally responsible for the actions of the minors in their household.

The Hooksett Library has stated in the Hooksett Library Rights and Responsibilities of the Cardholder that it will uphold and adhere to the New Hampshire state law as presented in NH RSA 201-D:11. As such, the Hooksett Library has chosen to create two categories of Youth library cards:

Juvenile/Child Card:

- Any child up to age 12, who lives in Hooksett, may receive a shared library card with their parent/guardian.
- This card will act as a shared card with both the child and the parent listed as owners of the library card.
- Any materials checked out on this card will be the financial responsibility of the parent.
- The library card will be signed for by both the parent and the child. Any information regarding materials checked out on a Juvenile/Child card will be available to both parties who have signed for the card, the child and the adult.
- The cardholder(s) may designate an individual, often a second parent, to be included as designees of the account.
- Any parent whose account is not in good standing may not use the shared juvenile/child card in place of their own.

Teen Card:

- Any youth between the ages of 12 to 18, who lives in Hooksett, is eligible for a Teen library card.
- This card shall be signed for only by the youth and will not be a shared library card with a guardian.

- As mandated in NH RSA 201-D:11, an individual library cardholder has the right to privacy of information regardless of age. This applies to the Teen library card, while still holding the parent/guardian financially responsible for any lost or damaged materials.

The Board of Trustees considers reading, listening, and viewing to be individual, private choices. The Board believes that full, confidential, and unrestricted access to information is essential for patrons to exercise their constitutional rights. While anyone is free to select or reject materials for themselves or their own minor child(ren), the freedom of others to read or inquire will not be restricted. Only parents and guardians have the right and responsibility to guide and direct the reading, listening and viewing choices of their own minor child(ren). The Library does not stand in the place of parents (in loco parentis).

New Hampshire RSA 201-D:11 Library User Records; Confidentiality. –

II. Records described in paragraph I may be disclosed to the extent necessary for the proper operation of such libraries and shall be disclosed upon request by or consent of the user or pursuant to subpoena, court order, or where otherwise required by statute.

III.
